The **Board of Directors meeting** allows the elected leadership to discuss and make decisions that homeowners have entrusted the directors to make on their behalf. The decisions are made based upon the greater good of the Heron Landing homeowners, the safety and security of the community, the environment, and requirements levied upon the Homeowners Association by the county and state. Homeowners are welcome to attend the meetings and ask questions pertaining to the agenda items discussed but do not have a vote on decisions.

The **Town Hall Meetings** give the Homeowners an opportunity to voice their concerns to the BOD and their neighbors. No official HOA business is conducted at this meeting and no official voting will take place.

The **Annual Membership Meetings** is held each November to elect and welcome new BOD members, as well as to conduct membership business.
